HOW TO ENJOY

TEMPLETON 10 YEAR

We believe whiskey can be enjoyed in a variety of ways, but below are a few methods that we recommend serving our 10 Year Rye for the ideal flavor experience.

SUGGESTED GLASS: LOWBALL OR GLENCAIRN

RECOMMENDED POUR: 1.5 OZ.

1. NEAT

METHOD:

Pour and enjoy in small sips at room temperature at full proof.

2. WITH STONES

METHOD:

Pour over chilled whiskey stones in glass. Chilling whiskey helps subdue the alcohol without dilution. Sip and enjoy.

3. ON THE ROCKS

METHOD:

Place ice of choice in glass. Let whiskey chill as ice melts; the dilution will bring out more subtle flavors of the whiskey.

4. WITH WATER

METHOD:

Add one drop of room temperature water at a time and enjoy after each drop. Add as many drops as desired to taste.
